Regular session of the January meetings of the Cloud County Board of Commissioners was called to order at 9:00 a.m. on January 9, 2017 in the Commissioners’ room at the Courthouse with Chairman Bill Czapanskiy, Members Gary Caspers and Bill Garrison, and County Clerk Shella Thoman present.

County staff attending was: Rob Walsh, County Attorney; Andy Asch, Highway Administrator; Mike Hake, Solid Waste Director; Diana Gering, Health Department Administrator; Barry Porter, Appraiser; Jerry Collins, IT Director; Henry Eilert, Maintenance Manager; Jana Roush, Register of Deeds; and JoDee LeDuc, County Treasurer.

Others attending were: Lea Throckmorton, District Court Clerk; and Kim Larson, River Valley Extension.

JoDee LeDuc, County Treasurer presented the end of the year cash balance totaling $15,504,240.49. LeDuc will be making a distribution January 20th.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board appointed Bill Czapanskiy as Chairman of the Board for 2017.

Robert Walsh, County Attorney discussed the OR (own recognizance) Bonds. The County does this regularly when a nonviolent inmate needs a major medical procedure; so that the County is not responsible for the costs of the procedure. Walsh reported that Amber Lindberg, Jail Administrator and Deb Czapanskiy, Jail Nurse visited with the Hospital regarding a doctor overseeing medical care. From a criminal prosecution view the law enforcement center runs very smooth.

**Department Head –**

**Kim Larson, River Valley Extension** – Multiple upcoming programs, contact River Valley Extension for more details.

**Lea Throckmorton, District Court Clerk** – New hire started and is working well. Magistrate in Jewell County is retiring, position will be open for 120 days to save money. Approximately 30 new legislatures across the state, looks promising for the Judicial Branch.

**Henry Eilert, Maintenance Manager** – Rebuilt some vents and replaced air handlers and bearings.

**Jerry Collins, IT Director** – Working on moving everything to the new year.
Andy Asch, Highway Administrator – Tree work this week. Will be filing a position for an employee that is leaving.

Barry Porter, Appraiser – Finishing field work & personal property. Busy time of the year. Will be doing protests next week. Working on an example of where your tax dollars go.

Diana Gering, Health Department Administrator – Shifting emergency preparedness to new employee.

JoDee LeDuc, County Treasurer – Closing out 2017. County General looks good, ended with $416,000, but more expenses to be deducted. While it looks better need to continue to be diligent. Distribution January 20th.

Jana Roush, Register of Deeds – Adjusting fee changes, quiet.

Shella Thoman, County Clerk – Looked like the only fund/department that would be over budget is the Law Enforcement Fund after transferring money for a payroll error that was unexpected for the jail budget. Lisa Keating would like to come to the individual offices to do a presentation of her products. Departments do not want this, they have shared the information with employees and they can contact her on their personal time if they are interested. The Holiday policy has changed. Mileage rate for 2017 is $.535. Anyone interested in the leadership seminars should let us know soon. Has a Fred Pryor Class scheduled for 2017 available.

Gary Caspers, Commissioner – Thanked everyone for making the budget look better and for supporting him during the election.

Bill Czapanskiy, Commissioner – Thanked everyone for working hard and expects it to be a tough year with the CPI limit.

Diana Gering, Health Department Administrator presented her intent to retire May 1, 2017. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the 2017 employment agreement with Diana Gering as Administrator of Public Health and Home Health Services at a base salary of $34,775.00 plus an additional $10,000.12 for duties as Health Administrator.

Henry Eilert, Maintenance Manager inquired about Section 11 – “Termination” of the employment agreement in regards to the 30 days written notice and discussed Section 2 “Salary” in regards to the workweek of 40 hours. Eilert does not intend to leave but questioned the 30 days written notice; the 30 day notice is a courtesy notice to prepare for replacement. The 40 hour workweek can be adjusted to fit the limitations to the Department staff. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved the 2017 employment agreement for Henry
Eilert as Building Maintenance Manager for the County Administration Building and the Community Service Center (Health Department) at a rate of $12.25 per hour.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the minutes as presented.

The Board adjourned at 10:40 a.m., until Monday, February 27, 2017.
Regular session of the February meetings of the Cloud County Board of Commissioners was called to order at 9:00 a.m. on February 27, 2017 in the Commissioners’ room at the Courthouse with Chairman Bill Czapanskiy, Members Gary Caspers and Bill Garrison, and County Clerk Shella Thoman present.

County staff attending was: Rob Walsh, County Attorney; Andy Asch, Highway Administrator; Mike Hake, Solid Waste Director; and Barry Porter, County Appraiser

Others attending were: Susie Haver, Cloud County Tourism; and Bruce Brown, Callabresi Heating & Cooling.

Rob Walsh, County Attorney - On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved a 5 minute executive session to discuss non-elected personnel with Rob Walsh and County Clerk, Shella Thoman.

Barry Porter, County Appraiser reported change in value notices were mailed out Friday February 24th. On average farm ground had a 12.8% increase, 1.8% for residential, 1.2% for farm residential and 1% for commercial. Porter discussed using windfarm funds for GIS (Geographical Information System) updated mapping; cost would be $65,000 - $90,000 and would be a benefit County wide. Porter and the Board also discussed the NRP (Neighborhood Revitalization Plan), the plan is due to expire at the end of 2017.

Andy Asch, Highway Administrator reported he would be doing interviews this week to fill a vacant equipment operator position on the asphalt crew; he would be attending the annual Noxious Weed Conference in Topeka March 7th – 9th; and inquired about reimbursing employees for their CDL endorsements. The Board asked Asch to get some numbers of what that reimbursement would total. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved a Request and Petition for Twin Valley Telephone Inc. to bury telephone line along various Cloud County Roads from 160th road east to the County line and from Jade road south to the County line.

Susie Haver, Cloud County Tourism Director presented committee placements to be approved. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the appointments of Sharon Dykes (Concordia Super 8), Roberta Lowrey (National Orphan Train Museum) and Florence Girard (Cloud County Historical Society) to fill terms through December 31, 2019. Haver also presented a 2016 year in review. The Tourism gift shop had a total sales of $10,243.15. There were 38 group tours in 2016 and 5 booked to date for 2017. The Center had 4,584 visitors and is one of twenty-two community travel information centers approved by Kansas Wildlife, Parks & Tourism. The Committee approved 11 grants for events and
marketing/attraction development. Fifteen businesses and organizations borrowed tables, chairs, public address systems, projector and screen. They participated in over 15 promontional events or programs and participated in 8 events. Marketing endeavors included a new billboard on US 81 and 170, print ads in dozens of publications, developed a new Concordia/Cloud County brochure, and now have bottled water and mugs.

Mike Hake, Solid Waste Director reported they sold 46,708 lbs. of paper. The Transfer Station failed a Kansas Department of Agriculture and Weights for not having a large enough sign displayed notifying users they can come inside the building for a print out of their weights. Hake has installed a new sign and reported back to the State of Kansas. Hake discussed the necessity of Transfer Station employees holding a CDL, currently the job description requires employees to acquire a CDL; although employees do not travel off of County property. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved a 5 minute executive session to discuss non-elected personnel including Mike Hake.

Bruce Brown, Callabresi Heating & Cooling visited with the Board about a partially paid invoice. The invoice was for repairs at the Law Enforcement Center. Brown stated that the owner of Callabresi had spoken to Tom Richards and Tom had thought the bill was paid in full. The County was under the impression that Richards wanted to discuss the invoice further before paying; although decided that it had gone on long enough and authorized the invoice to be paid in full in the next accounts payable cycle.

On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved a 10 minute executive session to for the exception related to employer-employee negotiations including Shella Thoman, County Clerk.

The Board reviewed Windfarm grants from the Concordia Housing Authority/Cloud Village Apartments for window replacement in the amount of $35,000; and the Concordia Senior Center for public transportation GPS enhanced dispatching in the amount of $1,200. Windfarm applications for non-profits will be accepted through March 30th.

The Board discussed preparation for the 2018 budget and set the date of April 3rd for all budget requests to be turned in.

Brain Marks, Sheriff and Amber Lindberg, Jail Administrator reported that Bruce Brown with Callabresi Heating and Cooling had been in contact with Rick Morton to discuss the repairs needed at the Law Enforcement Center. It was believed that the error was caught during the building process but Zahner-Hansen said to do it like the blue prints were prepared. Marks reported he spoke to the Health Administrator Diana Gering about using the old generator from the jail at the Health Department. The Board also discussed reclassifying Deb Czapanskiy, Law Enforcement Center nurse from a part-time position to a full-time position. The Board tabled the discussion until next week. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved the new hire of Loyd Rice as full-time corrections officer to fill an open position at a rate of $13.62 per hour effective March 20th. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the part-time hire of Mitchell McMillan as part-time corrections effective March 20, 2017 at a rate of $10 an hour.

Andy Asch, Highway Administrator reported that 28 miles of sand seal would cost the County approximately $319,334 and take 14 days or the work could be contracted out for $354,816 and take less than a week. Asch discussed the bridge project on the Cloud/Republic county lines. The options were to move the current structure, although it is unlikely to make it through the move or reline the project. Relining the project would take the bridge north of the current one. Asch will talk to Henry Eilert about the spraying the Courthouse Yard. The Board will attend the North Central Kansas County Highway Officials meeting on March 24th in Clay Center with Asch. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved a request and petition for a utility right away ½ mile east of 40th on Rock Road.
Trudy Poe, Cloud County Commission on Aging presented a 2018 budget request of one-mill estimated at $86,129.00 for services to the elderly.

Mike Hake, Solid Waste Director asked about the pay scale and increasing wages of equipment operators. No action was taken. 43,884 lbs. of cardboard was sold. A resident fell at the Recycling Center but refused assistance; Hake will contact KCAMP. The Transfer Station copy machine was having problems and he was getting quotes for a replacement. The crawler and the blue Ford were both being repaired. Hake thanked the Concordia Fire Department for the use of their air monitoring equipment for the staff to clean under the scales. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved a 10 minute executive session to discuss non-elected personnel including Hake.

Diana Gering, Health Department Administrator discussed using the generator from the jail at the Health Department and miscellaneous repairs needed and completed at the Health Department. They also had a student shadowing.

Sara Niehues, Amber Lambertz, and Arin Sorenson, Hood Park Neighbors presented a windfarm grant application for park upgrades in the amount of $20,000. They would like to add a shelter house and picnic tables at Hood Park. Quotes from Champlin Tire recycling, Inc and Concordia Technologies, LLC for supplies were present along with a map for placement.

Lisa Mosher and Charlotte Anderson, Cloud County Fair Association presented a windfarm grant application for racetrack grandstand and crow’s nest renovation in the amount of $11,430. Repairs would include rebuilding the crow’s nest to be enclosed when not in use, new speakers, PA system, and repairs to the grandstand seating. Labor to repair the grandstand will be volunteer.

The Board recognized windfarm grants from the Cloud County Fair Board for discount carnival tickets in the amount of $3,500 or $7,500. The project would discount carnival tickets for the 2017 Cloud County Fair $5 or $10. A request from the CNR Fire District #1 for a CNR Fire District 1 Truck – Jamestown to replace the oldest truck with a newer brush truck. A request from the Clyde Ball Association to purchase materials for a new concession stand at the Clyde Ball Field in the amount of $10,000. A request from USD 334 Southern Cloud – Miltonvale Grade School to revamp the classrooms in Miltonvale in the amount of $12,000.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved Resolution 2017-11 establishing a burn ban effective immediately through Monday March 27th or until suitable rainfall. The board took a call from the Beloit Call in reference to the ban.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved Transfer No. 17-320-1 debiting Current tax and crediting
County General in the amount of $3.52 as the funds should have been deposited into County General-Current Tax Interest.

The Board adjourned at 12:43 p.m., until Monday, March 27, 2017.
Regular session of the March meetings of the Cloud County Board of Commissioners was called to order at 9:00 a.m. on March 27, 2017 in the Commissioners’ room at the Courthouse with Chairman Bill Czapanskiy, Members Gary Caspers and Bill Garrison, and County Clerk Shella Thoman present.

County staff attending was: Andy Asch, Highway Administrator; Mike Hake, Solid Waste Director; Diana Gering and Brandi Bray, Health Department Administrators; Brian Marks, Sheriff; and Jerry Collins, IT Director.

Others attending were: Eric Voss, Emergency Preparedness Director; Bruce Johnson, Concordia Police Chief; Toby Nosker, KNCK; Tony Burnett, Concordia Senior Center; Luke & John Hood, Casselrock, Inc.; Jason Martin & Reece Smith, City of Jamestown; Roberta Champlin; and 6 CHS Government Students.

Eric Voss, Emergency Preparedness Director discussed burn bans. Voss recommended that he as the Director be responsible for deciding if conditions are safe to burn and that the days follow Red Flag days established by the National Weather Service. Voss presented the Kansas Statues related to open burning. The statue states that persons conducting a burn shall make notification to authorities prior to burning. Voss will contact the Fire District Fire Chiefs and arrange a meeting. Voss has been attending Homeland Security Meetings and there will be a Storm Spotter class on April 5th at 6:30 p.m. at Cloud County Community College. Sheriff Brian Marks and Police Chief Johnson stressed the importance that Law Enforcement be notified immediately after a ban is effective.

Brian Marks, Sheriff discussed the possibility of putting gravel down on a First Responder’s road. Marks inquired about moving forward with making the corrections to the duct work at the Law Enforcement Center. Commissioner Czapanskiy reported he had brief contact with Richards and will email him and get him up to speed. An unsuccessful call was made to Wyatt Hoch, Foulston Siefken, LLP. A message was left to make arrangements to have a conference call next Monday.

Roberta Champlin asked about the appraisal of ag land and discussed concerns with the cost of taxes. Ag land is based on an 8 year average, therefore higher currently but we should be seeing a change in the upcoming years.

Andy Asch, Highway Administrator reported a change in the cost of sealing; contracting the work done would be a difference of $46,221. Asch thinks it would be best if the County did it ourselves despite the difference in time it would take so that those dollars could be used elsewhere. Realignment of the bridge project on the Republic County
border cost has an approximate increase of $10,400, half would be the responsibility of Cloud County.

Tony Burnett, Concordia Senior Center presented a 2018 budget request for $4,000. This is the same amount requested for the past nine years and will be used to supplement the wages of the Center nutrition staff. The request will be taken into consideration during budget preparation.

Jason Martin and Reece Smith, City of Jamestown presented a windfarm grant application for a ballpark shelter house in the amount of $20,530. The shelter would have a 30’ x 75’ concrete slab with a shelter covering a 30’ x 50’ area. The open area will be for cooking and other setups as needed. The area under the shelter will be for picnic tables, shade for summer activities, family gatherings, the Annual 4th of July Celebration and baseball/softball tournaments that are held at the ball field. Volunteer labor and equipment will be used as much as possible. Windfarm applications will be received through March 30th.

Diana Gering and Brandi Bray, Health Department Administrators and John and Luke Hood, Casselrock, Inc. discussed moving the generator from the old jail to the Health Department. The generator would be placed on the roof. Gering also asked the Hood’s to look at the floor in one area on the top floor as it was spongey. Bray reported they are interviewing for positions and will present a new hire next week for one position.

Jerry Collins, IT Director reported the City of Concordia wants to use his services on an hour rate. A rate of $65 was set to present to the City.

Mike Hake, Solid Waste Director reported they were having problems with the Recycling Center truck.

The Board discussed last week’s recommendation from Sheriff Marks to reclassify the Jail Nurse, Deb Czapanskiy, from a part-time position to a full-time position as she was working full time hours. Commissioners Caspers and Garrison did not want to make the change. Commissioner Czapanskiy recommended they both visit the Law Enforcement Center this week to see how things were going. Thoman reported that the County will be forced to offer Health/Dental coverage and enroll Czapanskiy in KPERS during review do to the hours being worked.

The Board received a windfarm grant application from the 12th Judicial District Supervised Visitation and Child Exchange Service in the amount of $1,760 for an area training “Best Practices Addressing High Level Conflict.” The grant would pay registration fees for at least 16 attendees from not-for-profit organizations serving the Cloud County area and $40 toward the cost of providing the meal and snacks for the training.
The Board approved the following payroll expenses totaling $141,808.52:

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved a 10 minute executive session for attorney client privilege including Rob Walsh, County Attorney, Andy Asch, Highway Administrator, and Thoman.

Department Head (9:20 a.m. – 10:25 a.m.)

Mike Hake, Solid Waste Director – Transfer Station: Routine Business. Recycling: shipped 44,371 lbs. of mixed paper. Made some repairs at the Recycling Center to the step near the entrance to the building.

Jerry Collins, IT Director – Switching out several computer systems.

Andy Asch, Highway Administrator – Patching, hauling rock. Engineer report due to State this month. Roads held up well with the rains.

Barry Porter, Appraiser – Will be working on computerized mapping with the help from the Register of Deeds Tech fund and IT budgeted dollars. Will be available later this year.

Diana Gering and Brandi Bray, Health Department Administrators – Two new hires starting this week for Linda Coons and Brandi Bray’s positions. Making internal changes to job classifications. Working on fire inspection. Erickson Contracting will be fixing leaks on the roof. The staff participated in CASA’s wear blue day Friday. Bray invited the public to a Retirement party for Diana Gering and Linda Coons at the County Courthouse on April 21st from 2:30 – 4:30 p.m. Gering thanked everyone for the help over her years at the County.
Henry Eilert, Maintenance Manager – Getting summer equipment ready and regular repairs and clean up.

JoDee LeDuc, County Treasurer – Routine business. Quieter month.

Shella Thoman, County Clerk – Attended the Sanborn Certification Institute in Wichita last week. The institute is a certification school for Clerks and their office personnel to become a Certified County Clerk; attendees must attend school for 1 week for 3 years to become certified.

Bill Czapanskiy, County Commissioner – Attended a budget finance class in El Dorado last week. With the new Tax lid it’s hard to know where to start on the budget process.

David Luke, K-Camp discussed program updates and presented the County with a $17,167 dividend check. 66 counties and 20 non county municipalities are with K-Camp.

Brandi Bray, Health Department Administrator reported that the generator would not become part of the building if it was put on the roof and with significant rainfall the probability of roof problems was high.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the new hire of Brenda Dark as Home Health Director to fill an open position at a rate of $17.78 an hour effective April 13, 2017.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved a classification change for Amy Sulanka from a Home Health Nurse to Family Planning / Emergency Preparedness at a rate of $17.05 an hour effective April 10, 2017 to fill an open position.

Commissioner Czapanskiy and Garrison attended the NCK Highway Officials Association Spring Meeting on April 5th in Clay County.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the minutes as presented.

The Board received 2018 budget requests from Register of Deeds - $72,714. Maintenance - $130,320 (updated).

The Board recessed at 12:10 p.m. and reconvened at 1:30 p.m. to review budget requests.

The Board adjourned at 3:42 p.m., until Monday, April 17, 2017.
Regular session of the April meetings of the Cloud County Board of Commissioners was called to order at 9:00 a.m. on April 17, 2017 in the Commissioners’ room at 811 Washington, Concordia, KS with Chairman Bill Czapanskiy, Members Gary Caspers and Bill Garrison, and County Clerk Shella Thoman present.

County staff attending was: Brian Marks, Sheriff; Andy Asch, Highway Administrator; and Henry Eilert, Maintenance Manager.

Others attending were: Toby Nosker, KNCK; and 8 Concordia High School Government Students.

Brian Marks, Sheriff reported he had not received any updates from Bruce Brown at Callabresi Heating & Colling and was asked to follow up with Wyatt Hoch, Foulston Siefkin LLP. They were holding 90 inmates; the VINE program is up and running and they were researching a GED program for the DOC inmates. The State may pay more per inmate for offering the program or grants for equipment for the program, such as laptops.

Andy Asch, Highway Administrator reported they were patching holes and doing bridge work; he attended a Kansas Leadership meeting in Wichita last week and received a call regarding the bridge on 250th east on Vale. Commissioner Garrison asked about the bridge near 200th and Eagle; Asch reported that a railcar has been purchased for its repair. They are working toward an August 7th start date for the Jamestown Road. Tire bids were received and opened from Becker Tire, Kansaland, Commercial Tire Center & and Thompson’s OK Tire. The Board asked Asch to review the bids and report back next week.

Henry Eilert, Maintenance Manager reported they were working on the chiller and asked permission to purchase a walk behind mower for use at the Law Enforcement Center, although it would also be used at the Courthouse and Health Departments. Eilert received prices from Krier Mower & Electric, Concordia Tractor, Inc and Orscheln’s. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved the purchase of a walk behind mower from Krier Mower and Electric at an approximate cost of $360 for the maintenance department. The Board also discussed the use of the Courthouse Meeting room by employees after hours and on weekends. The Board agreed employees of Cloud County could use the meeting room. Employees would pay $15 and a box of items for the food bank or $30. Maintenance would not do any preparations for employees and employees should return the room to the way it was found and take out the trash. Thoman reported that the Clerk’s office would work with Maintenance to set up an online calendar so arrangements could be made with Maintenance or at the Clerk’s office; and possibly have it available online.
On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved Resolution 2017-12 cancelling check #202044 on April 3, 2017 in the amount of $225.00 to Policeone.com as the payment was duplicated.

Commissioner Czapanskiy attended a Kansas Leadership meeting in Wichita and a Chemical Dependency Committee meeting on Friday April 14th.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the minutes as presented.

The Board adjourned at 12:47 p.m., until Monday, April 24, 2016.
Regular session of the April meetings of the Cloud County Board of Commissioners was called to order at 9:00 a.m. on April 24, 2017 in the Commissioners’ room at 811 Washington, Concordia, KS with Chairman Bill Czapanskiy, Members Gary Caspers and Bill Garrison, and County Clerk Shella Thoman present.

County staff attending was: Rob Walsh, County Attorney; Andy Asch, Highway Administrator; Brandi Bray, Health Department Administrator and Dawn Snyder, Assistant Director Community Corrections – JJA.

Others attending were: Marlene Stamm, NCK Environmental, LLC; Sheila Nelson-Stout, James Quillen, Patrick Wallerius and Kendra Krier, OCCK, Inc.; Julie Willoughby, DVACK; Larry Uri, Concordia City Manager; Charles Johnson, Public Building Commission; and 8 Concordia High School Government Students.

Rob Walsh, County Attorney reported mediation is scheduled for May 25th in Salina for a complaint against the County with the EOC.

Marlene Stamm, NCK Environmental, LLC presented a quarterly report including 13 new permits, 7 final permits, 2 real estate inspections, and 1 complaint. Stamm attended a Milford WRAPS training/presentation and will attend the Kansas Small Flows/KEHA Conference. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board granted a variance for a lateral at 1620 Deer Rd, Delphos.

Sheila Nelson-Stout, James Quillen, Patrick Wallerius and Kendra Krier, OCCK, Inc. presented a 2018 budget request in the amount of $109,277, a 3% increase. OCCK, Inc. increased the number of people served in Cloud County from 341 to 387 and has an economic impact of $1,161,200. OCCK is the designated “preferred service provider” by Cloud County and feels an obligation to maintain its responsibility to people who are disabled and in need of services within the area. The request will be considered when preparing the 2018 budget.

Julie Willoughby, Domestic Violence Association of Central Kansas (DVACK) presented and read a proclamation declaring April Sexual Assault Awareness month. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board proclaimed April as Sexual Assault Awareness month. Willoughby also invited the community to Denim Day on Wednesday April 26th.

Larry Uri, Concordia City Manager asked the Commission to support an application for a Pathways to a Healthy Kansas grant. Eight communities will receive up to $500,000 each over a period of three years. The goal of the program is to inspire long-lasting, community-wide well-being by creating supportive, health environments. The activities
will focus on increasing physical activity, eating healthy, and avoiding tobacco. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved signing a letter of support for the Pathways to a Healthy Kansas grant for $500,000.

Andy Asch, Highway Administrator reported he reviewed the tire bids. Results totaled $32,360.52 and included: Commercial Tire Center - $4,583.30; Kansasland - $23,934.08; Becker Tire - $1,929.06; and Thompson’s OK Tire - $1,914.08. He was looking into different types of bridge planks, would be attending the Highway Conference in Salina May 9-10 and he and the Road Supervisors would attend training on May 8th. Asch reported significant problems with a 1999 grader with 25,000 hours and discussed repair and purchase options. No action was taken.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved hiring Boyd Thoman as seasonal part time maintenance at $8.50 an hour effective April 24th.

Brandi Bray, Health Department Administrator reported she attended a Conference in Wichita last week. The Board recognized the retirements of Linda Coons and Diana Gering effective April 28, 2017. The Board reviewed an estimate on installation of the generator at the Health Department but would like to discuss the necessity of the generator with Emergency Preparedness Director Eric Voss. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved signing a contract with Rob Rosenbaum for pharmaceutical services for Cloud County Health Department effective April 17, 2017 and ending December 31, 2017; at a charge of $35 per hour upon documentation of services.

Charles Johnson, Public Building Commission (PBC) talked to the Board about meetings and reports from the PBC.

Dawn Snyder, Assistant Director Community Corrections – JJA presented the Community Corrections / Juvenile Services Fiscal Year 2018 allocations. Commissioner Czapanskiy attended the Chemical Dependency Committee presentation in Glasco on Tuesday April 20th. Commissioner Caspers attended the Juvenile Community Corrections Advisory Board and the Cloud County Health Needs Assessment Committee meetings on Wednesday April 19th in Concordia. Commissioner Garrison and Czapanskiy attended Diana Gering and Linda Coons retirement reception on Friday April 21st at the County Courthouse.

The Board may attend the Intergovernmental Meeting on Wednesday April 26th at the CloudCorp office in Concordia.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved the minutes as presented.

The Board adjourned at 12:18 p.m.
Regular session of the May meetings of the Cloud County Board of Commissioners was called to order at 9:00 a.m. on May 1, 2017 in the Commissioners’ room at 811 Washington, Concordia, Kansas with Chairman Bill Czapanskiy, Members Gary Caspers and Bill Garrison, and County Clerk Shella Thoman present.

County staff attending was: Andy Asch, Highway Administrator; Brandi Bray, Health Department Administrator; Eric Voss, Emergency Preparedness Director; and Dawn Synder, Assistant Director Community Corrections - JJA.

Others attending were: Tony Miller, Miller Automotive.

Eric Voss, Emergency Preparedness Director suggested installing the generator to be used for Emergency Preparedness at City Hall rather than the Health Department building and making City Hall the EOC for the City of Concordia and Cloud County; with the Law Enforcement Center as the secondary location. In the event of an emergency the City and County will need to work together and neither will have enough staff to have individual EOC’s. Moving what files are at the Health Department will also free up needed space for storage. Commissioner Czapanskiy suggested the County gift the generator to the City of Concordia. Health Department Administrator Brandi Bray was looking into the grant and determining if the grant specified the location of the generator. No decision was made. Voss reported the County Fire Chiefs would be meeting tonight to discuss burn ban procedures and in the future residents could sign up for text notifications for a variety of things including burn bans. Voss felt like the City and County departments were working very well together.

Brandi Bray, Health Department Administrator reported they were compiling a list of residents that use oxygen and suppliers. County Health is required to have a list in the event of a disaster. They are working on getting everything switched over into her name from Gering’s and searching for ways to save money.

Andy Asch, Highway Administrator presented 2 classification changes. The Board recognized the resignation of Dalton Lindsay effective May 11, 2017. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved the hire of Gerald D. Lanoue seasonal summer mower at a rate of $8.50 effective May 14, 2017. Asch was getting prices from Foley Tractor on graders and had discussed repairs on the parallel with residents.

Dawn Snyder, Assistant Director Community Corrections – JJA reported the process for conditions of grants has changed. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved signing the Conditions of Grant for the Juvenile Justice Comprehensive Plan State Block Grant.
Thoman presented two Administrative orders from the County Attorney’s office. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved Resolution 2017-14 Administrative Order No. 356 appointing Regine L. Thompson as Acting Cloud County Attorney due to conflict of interest for the purpose of investigating possible criminal acts. Thompson is entitled to a reasonable compensation from Cloud County for her services.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved Resolution 2017-15 Administrative Order No. 357 appointing Justin Ferrell acting Cloud County Attorney in the absence of Robert A. Walsh from May 2-7, 2017. Ferrell shall be compensated at the rate of $60.00 per hour for his time and $20.00 per hour for his travel and staff’s time and will be reimbursed for all out-of-pocket expenses and receive mileage for any travel.

The Board signed a letter of support for the City of Concordia’s application to a Pathways to a Healthier Kansas Grant.

Thoman reported the County auditors would be here the week of May 22nd to audit year ending December 31, 2016.

On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved a 5 minute executive session to discuss non-elected personnel to include and for the evaluation of Brandi Bray, County Health Administrator.

Tony Miller, Miller Automotive asked the board about the sealed bid process, specifically for tire bids. The Board stated that the Department head reviews the bids and determines which bid best fits his or her needs for the best price. Miller also asked the Board why the County Sheriff’s vehicle repairs aren’t spread among multiple shops in the County. The Board expressed that the Sheriff’s felt like having one shop do all repairs is simpler when needing information about any vehicle.

The Board approved the following expenses totaling $178,225.47.

Robbin Cole, Pawnee Mental Health Executive Director presented a 2018 budget request for Pawnee Mental Health Services in the amount of $105,704. The request represents the 2017 funding support of $68,875 plus the equivalent of a prorated portion of 7.5% ($36,829) of Pawnee’s deficit from 2016. Pawnee celebrated its 60th anniversary in
November of 0216 and served 525 unduplicated residents of Cloud County. Limitations in insurance benefits, bad debt and sliding fee assistance resulted in nearly $3.4 million of unpaid services for the fiscal year of which $526,000 was from services provided in Cloud County. The funding of the $68,875 was used to help cover uncompensated costs of providing care for Cloud County residents. Cole stated that no raises have been given to Pawnee Mental Health employees since July of 2014 and from 2008 to 2011 they decreased staff from 320 employees to 240. Pawnee is increasing its efforts to establish a charitable giving program but realizes it will take years to build enough private support to have a significant impact on their budget. Cole would also like to work with Commissioners for the ten counties they serve to develop a sustainability plan to develop a long range sustainability plan. Cole also discussed a Mental Health Co-Responder program in Riley County. The program assigned 2 Pawnee Mental Health employees to provide help with crises services with the Riley County Police Department and Law Enforcement Center.

The Board discussed how the smart TV, partially obtained by grant dollars awarded by the Dane Hansen Foundation, could be used in budget preparation and future presentations by citizens.

Commissioner Caspers attended the Juvenile Detention Committee meeting in Junction City on Wednesday August 16th.

On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved the minutes as presented.

The Board adjourned at 10:25 a.m., until Monday, August 28, 2017.
Regular session of the August meetings of the Cloud County Board of Commissioners was called to order at 9:00 a.m. on August 28, 2017 in the Commissioners’ room at 811 Washington, Concordia, Kansas with Chairman Bill Czapanskiy, Members Gary Caspers and Bill Garrison, and County Clerk Shella Thoman present.

County staff attending was: Andy Asch, Highway Administrator; Barry Porter, County Appraiser; Brian Marks, Sheriff; Henry Eilert, Maintenance Manager; JoDee LeDuc, County Treasurer; and Jerry Collins, IT Director.

Others attending were: Lea Throckmorton, District Court Clerk; Tyler Husa, River Valley Extension; Sheryl Budke and Shawn Starr, Nex-Tech; George Carter, Loren & Deanna Sweat.

Shawn Starr, Nex-Tech Supervisor updated the Board on the switch to the Nex-Tech servers that was scheduled for Tuesday August 22nd. Before arrival at the Courthouse on Tuesday it was found that the County Server was hit with ransomware. All Courthouse computers on the effected server were immediately shut down and later scanned. No threat was found on any pc. All data was recovered from the Friday, August 25th back-up. It later was discovered that the remote login was allowing access since 2014. Starr recommended a security overhaul including password changes every 90 days and locking users out when access is not needed. September 8th will be the new date that the County will switch to the Nex-Tech server; with the new back up all the problems encountered would be eliminated and the County would be back up and running in hours. The new server will be monitored 24/7. Starr reported that most ransomware comes from email, he was surprised it came straight to the server. He recommended that an inventory of all computers and what software are on each be created. It’s unknown if any data was extracted or when any may have been.

Andy Asch, Highway Administrator reported that sealing began on the Jamestown road. Foley’s turned in the report to KCAMP for damage on the bull dozer; damage was limited to cosmetic and structural. He is waiting on locates to set up signs discussed in prior meetings. George Carter and Loren & Deanna Sweat discussed an agreement from 1932 in reference to a drainage ditch. Asch will check if the agreement followed the deeds over the years and will contact Steve Nelson.

Henry Eilert, Maintenance Manager discussed the bids received for service agreements on the Courthouse heating and cooling system. On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved accepting the bid from Comfort Control Services LLC. Eilert also presented bids for repairs to the main line feeder on the system. On a motion by Commissioner Caspers, second by Commissioner Garrison, unanimous vote the Board approved accepting the bid from Hood Heating Air Plumbing and Electric at an estimate of $9,860 to replace the pipes on
the Boiler/Chiller. Eilert discussed personnel problems, the Board recommended Eilert talk to the County Attorney.

On a motion by Commissioner Garrison, second by Commissioner Caspers, unanimous vote the Board approved appointing Commissioner Czapanskiy as voting delegate at the Kansas Association of Counties Annual Conference; Commissioner Caspers as 1st Alternate and Commissioner Garrison as 2nd Alternate.

The Board approved the following payroll expenses totaling $143,555.41.
